They're too young to fail

## JOIN YOUR LOCAL ACTION GROUP AND HELP STOP THE DAMAGE

Supporters of the campaign believe that children in England are being put under all sorts of developmentally inappropriate pressures that are harmful to their health and wellbeing. Join your local action group to look at the evidence on 'schoolification' and to help call for something better.

### AIMS OF THE CAMPAIGN

- to re-establish the early years as a unique stage in its own right and not merely a preparation for school
- to protect young children's natural developmental rights and freedoms
- to stop baseline testing
- to reinstate the vital role of play
- to introduce an English informal, play-based, learning rich and developmentally appropriate Foundation Stage until the end of Key Stage 1
